

Cross Country Trail System

Auburn Ski Club maintains its own cross country trail system for recreational skiing, training and racing.

Located at 7,200 feet located on Donner Summit, at the West end of Boreal Ski Area's parking lot, we are usually one of the first areas to open our trails for the season.

The 15km of trails are groomed every day except Mondays and Tuesdays. Our modern, state of the art grooming equipment produces perfect track for traditional classic skiing and for ski skating Club members are invited to purchase a seasons trail pass for skiing:

- \$60 per year
- \$30 with a volunteer credit from the previous year, or for a first time member.
- Under 18yrs and over 65 yr olds receive a free season pass
- Parents of Club Team members (alpine and nordic)receive a free season pass

We do not sell day passes. Members are encouraged to bring guests a year for a \$10 guest fee.

Our Club Instructors and coaches offer a series of Clinics in traditional diagonal stride, ski skating and telemark for all levels Joining these clinics great way to meet other club members while learning skills to improve your cross country skiing. The Club also has its own Biathlon range and ski jumping hill and runs clinics during the season for all ages.
