

## Volunteer

The Auburn Ski Club has a reputation of hosting top quality races and events.

The Auburn Ski Club was voted "Best Cross Country Ski Club" of The Year in 2000 and in 2005, and has hosted prestigious National events such The NCAA National Championships in 2004 and The USSA Junior Olympics in 2005 & 2009

This could not have been possible without the hours of dedicated volunteer service from our members. A big thank you to all who have helped us in the past, and of course we hope you can help again this year.

Please check the events which you can help us with this year. Volunteering at events is fun, is a great way to meet other members, and it helps us keep our overheads down. You will also earn the volunteer discount for a half price season pass for next season, & a race crew hat.

- 2010 - 2011 dates are being worked on - stay tuned for the volunteer opportunities for next season
